Board Retreat

1. Mr. Iannucci and Dr. McCarron reviewed the Board and District Goals from the 2013 – 2014 school year. After reviewing each goal the board and administration discussed the success, revisions, and whether or not it would be ongoing during the 14-15 school year.
2. The school and district administration reviewed the 2014 – 2015 school goals. Mr. Iannucci and Dr. McCarron then explained how this ties in directly with the district goals.

3. As the Board Goals were finalized, it was clarified that their goals should reflect their responsibilities as board members, and should not reflect items that need to be addressed at the district level.
4. It was requested that administration keep the board posted on how the goals are being addressed on a monthly basis. It was also discussed that this should be discussed mid way through the year to revise as necessary.
