Goal #1 – Board members will participate in curriculum meetings – twice annually, Board members will each attend one extra NJSBA training annually, and board members will meet with school level administration twice annually.

Goal #2 – This goal will remain the same and students will be recognized at each board meeting.

Goal #3 An ad-hoc committee will meet regarding the long range plan, shared service will continue with BHP and NJSBA, and the board will look into utilizing grants and placing ads on our school bus for revenue.

**Presentation of NJ ASK Science** – Dr. McCarron presented the 2015 NJ ASK Science scores. He also fielded questions from the board regarding how Runnemede performed compared to their District Factor Group (B) and the state.

**Review of the Agenda** – There was not enough time to review the agenda

President Spaulding closed the work session at 7:03pm, and announced that a five minute break would be taken before the regular meeting started.
